Medication/ medical intervention required at MAYC? ☐ Yes ☐ No

If yes, please provide details below of medication/ medical intervention required while student is at school. If allergy, please describe severity and course of action. Please list Inhaler/Asthma Medication and EpiPen requirements as well if needed.

If your student requires medication or a medical intervention during the course of their day, it is important for you to meet with the Executive Director and/or Program Director as deemed necessary to establish a medical protocol for your student at the beginning of each MAYC session. This meeting will insure that your student's needs are met in an appropriate manner during the course of their time at MAYC. Please contact the club to set up a meeting by emailing Jacob at programs@mahometyouth.org or calling 217-586-6323.

Medications will be kept in clearly labeled original containers. Medication will only be dispensed based on the label on the bottle. If a different time or dosage is required that what is listed on the medication, a signed note is required from a physician.

For all parents/guardians

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize MAYC and agents, in my behalf, to administer or to attempt to administer to my child (or to allow my child to self-administer, while under the supervision of the employees agents of MAYC), lawfully prescribed medication in the manner described above. I acknowledge that it will be necessary for the administration of medications to be performed by an individual other than a health professional and specifically consent to such practices.

I also agree to indemnify and hold harmless MAYC and its employees and agents against my claims, except a claim based on willful and wanton conduct, arising out of the administration or the child's self-administration of medication.
